## LETTER FROM THE

## Executive Director

**Beth Macmillan**

This year we celebrate the Artown festival's 18th year in our community. For decades, a strong core of arts and culture has been thriving in our region, and Artown was created to frame this depth of talent and creativity; to help illustrate the vast tapestry of diversity and culture within our city; and to provide entertainment and inspiration for all walks of life that exist here.

Reno's reputation as having a solid, internationally-competitive, thriving arts and culture scene proceeds itself. It takes a multitude of local, national and international artists to bring our festival to life each year. In 2013, we not only revel in the many genres of the arts represented within Artown, we are astounded by the many facets of our community reached by the festival's more than 500 events.

While there is a multitude of rousing ticketed events within the festival, the plethora of free programming offers ease of artistic accessibility to everyone from young families to our area's eldest residents who have seen many evolutions of the arts. We are honored to showcase music, dance and visual arts events that represent the many cultures within our community, and expose the artistic ingenuity of other cultures that may not be as prevalent in our area.

Artown is about inclusiveness at its heart. From whimsical to compelling, we are elated to bring another month of events, exhibits, workshops and innovation to northern Nevada. We invite you to celebrate our region's artistic and cultural diversity this July, impeccably framed within the 31-days of Artown.

# Caring People, Caring for People

We love being part of the Reno/Sparks community. This fall will be our 5th annual Dentistry from the Heart day. If you like people that support the community, then you found your dentist.

- Family Dentistry
- Implants • In House Dental Lab
- Cosmetic Dentistry
- Adult Cosmetic Braces
- Relaxation Dentistry • Teeth Whitening

775-200-1660  
4875 Summit Ridge Dr. Reno  
[www.salafamilydentistry.com](http://www.salafamilydentistry.com)

## \*Sala Star

### Helping people find their smiles again.

At Sala Family Dentistry, we have a patient, Daniel "Danny" Clark who is quite special to us. He has been a patient since 1974 and has always done his treatment, paid his bills, etc. He is a joy to be around and loves to smile. Five years ago Danny was diagnosed with an immune system disease, Sjogren's Syndrome, which causes severe dry mouth that has eaten away at his teeth. We have been trying for 3 years to get his medical insurance to pay because it is a medical condition and despite our several appeals, they have continued to deny coverage.

In December, Danny was selected to be the next Sala Star. As Danny put it best "I am so happy that people actually see me for who I am now. I have my smile back and I love to smile. I want to express my gratitude to everyone in the office for helping me. We can't express the happiness you have given us." Thank you Danny for always putting a smile on our face in the office! We are lucky to have 3 generations of Clark family members as patients.

\*Members of our community nominated by our patients to receive complimentary dental care!

## U.S. Bank is proud to sponsor the Artown Festival

*Art Communities working together - bringing families together for their love of the arts.*

---

Artown, you never cease to amaze us, as you outdo yourself year after year. And, U.S. Bank is honored to be one of your Festival Sponsors for the fifteenth straight year. At U.S. Bank, we are also proud to outdo ourselves year after year. We take an immense amount of pride in being an industry leader in all banking metrics and being one of the most secure, stable banks in the country. This success allows us to support Reno through Artown, the Aces, the Reno-Tahoe Open and many other fine organizations that enrich our community. It also allows us to offer you the most competitive banking products and services whether you are buying a home, saving for college, or planning for retirement.

Please *visit* us at any of our 38 Reno-Tahoe locations to find out how we can support you, just as we support the "Biggest Little City in the World".

All of **us** serving you®
